Dearly beloved:

May the grace and peace of our Lord Jesus Christ be with you.

We are greatly pleased to know of your intentions of establishing a web-based network for our Suryoye youth, to find matches for them within the Syriac Orthodox Faith worldwide. This worthy and very important project fulfills the expectations of many single young people of our community, as well as, the wishes of countless parents and families. We anxiously wait for the launching of the SuryoyoMatch.com website to help our young people as they plan to get married with someone who shares their beliefs, values and culture.

While we gladly endorse this project, we passionately ask our youth to become members of SuryoyoMatch.com and to make use of this great service offered to them as they chart their future.

We, likewise, encourage our professionals and business owners to help maintain this website by donating and advertizing, as a token of their love and care for their own children and many generations to come of our beloved Syriac youth.

We convey to you our sincere wishes for success in this web site, and look forward to the positive impact which this service will have on our community. May the Lord Almighty bless you and reward you for your efforts in the benefit of your Syriac Orthodox community.

Yours in the Lord,

Mor Cyril Aphrem Karim
